B/f the Bible clearly teaches that God created the world in six 24 hour days, let us stand upon it with confidence, knowing that ~~when the~~ all the facts are in, they will be found to agree with God's infallible Word. Let us go slow, however, about insisting that the Bible teaches a certain view, until we are absolutely sure that it does so.

It is not the purpose of the Bible to explain the mysteries of the physical universe.
