

~~Ahaz~~ and the Assyrian war is the same. Now under the circumstances then the king would more logically ~~seem~~ seem to come first than the other dealing with the nobles. But the section ~~before~~ with foreign nations from 12 to 23 and the Isaiah Apocalypse from 24 to 27 comes in between. Personally I do not know that there is any significance in this coming in between. I may just as well have come after as far as I know. That is for 13 to 27 to come before or after 28 to 35 as far as I know is without
