

take the statements of this old book? And actually of course both are wrong because the scientist does not have sufficient evidence to prove the age of this universe. He can see what is here today but when he brings to intrepret from it what was here a million, two million, three million years ago, his area of possible error rapidly inceases. And it is altogether possible ~~f~~ as for any scientific evidence is concerned, that this universe might have been created in 7 days. In fact God could have caused it to come into existence exactly as it is right now. If he chose to do so. And there is no scientific (End of Record side 1)

LECTURE ~~Two~~, Side 2

yourself, what does this word day mean in the Old Testament? Well, you can find many instances in the Old Testament where the ~~word/day~~ work day means a 24 hour day. You can prove~~d~~ that. But that doesn't prove ~~that/all~~ it always means a 24 hour day. You turn right to the very first chapter of Genesis and you read there right in the 4 and 5th verses, God saw the light that it was good and God divided the light from the darkness And God called the light Day and the darkness he called Night." Is this a 24 hour day? It can't possibly be. Right there in that chapter you have the word day used in an entirely different sense from a 24 hour period. So now you hazve two senses of the word day. In this first chapter. Well, is that the only way in which day can be used? Is it either a 24 hour period or a time when it is light upon the earth? You turn over to the very next chapter, And you read there in verse 4. /"These are the generations of the heavens and of the earth " A summary of the whole business. In that day when they were ~~da~~ cre or when they were created in the day that the Lord God made the earth and the heavens and every plant of the field before it was in the earth and so on. The day that the Lord made all these things. Which of the six days is he talking about? It is very clear that here the Lord's day is used of a long period of time. And of course you can go through the Bible
