

the truth he gave them, .....4.....study the Scripture and see what it teaches and accept it, if they find it is what it teaches. He wanted them to recognize the good advice he gave them to follow him. He wanted them to recognize the books that he wrote as a part of God's inspired Word, and part of the Scirpture, but he didn't want them to say, I am of Paul, because ~~hw~~ was only one of Jesus ~~M~~ ministers. He was only one of God's men. "I am of Paul, and I of Apoðlos; and I of Cephas." But even "I of Christ." I am not of Paul, I am not of Cephas, I am of Christ. Well, that's what we should be, of Christ. But these people said, I am of Christ meaning, I am not of Paul, I am not of Apollos, I am not of Cephas. I am of Chřist. We had a denomination started in the United States about a hundred years ago. They said these jangling sects~~o~~ of Protestantism are wrong. We must all be as one church, separate from anything like that. We will not be Presbyterians or Methodists, or Baptists, or Episcopalians. We will just be Christians. So they started a sect which has come to be called the Christian Church. And it is a large denomination in the central part of our country. It is one of our big denominations, tho comparatively small in the East here. But actually ....5 $\frac{1}{4}$ . .... It is perhaps more sectarian in some ways than most of our other denominations. We are of Christ, but the others aren't. No. We must be of Christ, but so are all, who are samed through Christ. Paul said, "Was Christ divided? Was Paul crudified for you? Or were you baptized in the name of Paul? I thakk God that I baptizid none of you but Crispus and Gaius; lest any should say that I have baptized in mine own name." And then he stopped and he says, Oh my, what a liar you are Paul. What a liar. He says he didn't baptize any but Crispus and Gaius, and look at here. He says he baptized the household of Stephanus. Isn't that awful? He ~~says~~ says he didn't baptize any byt Crispus and Gaius. This fellow Paul is an awful liar, isn't he? Well, he stops and ~~xx~~ he thinks, Well, look at here. I forgot. I forgot he says. He says I .....6..... I baptized also the household of Stephanus. But then he said, "besides, I know not whether I baptized any other." Well, didn't Paul know? Wasn't Paul speaking under the inspiration of the Lord
