Oh God, our Father, we have started a year and believe it will be a year of blessing, a year of accomplishment, a year of progress. Oh our God, help us to do the work that is necessary, each one, to accomplish ~~what~~ you desire to have accomplished. Help us, our Father to keep our eyes on Christ and follow Him, not to let our own desires or the subtle temptations of Satan lead us astray but to keep our eyes on Him. We pray, our Father, for each of these who have come here to secure this training, that you will help each one to get what he really needs
