combined with what else the Bible says as to what God has done regarding  
the scripture, and when we investigate that we find, as I said a few minutes  
ago, that inspiration is a very simple idea although from another viewpoint  
~~is~~ it is a very complex idea, but the same is true of the idea of which inspiration  
is in a way a subdivision, not exactly a subdivision, because it overlaps  
but it is mainly a subdivision of a larger idea, and this idea is what we  
call revelation. Now, there is not near the confusion, though there is  
much confusion, ~~there is not~~ <sup>14</sup> ~~near~~ as much confusion about revelation as  
~~there~~ <sup>is</sup> there is inspiration, and yet there is a great lack of clear thinking <sup>among</sup>  
<sup>church goers</sup>  
<sup>1</sup> as to what we mean by revelation. But the word has not ~~come~~ <sup>come</sup> to ~~be~~  
used in all the ~~sense~~ <sup>senses</sup> that ~~revelation has~~ <sup>AS</sup> -- inspiration, like for instance  
<sup>he said I think</sup>  
even Coleridge made the statement, the Bible is inspired because it inspires  
me, ~~and~~ <sup>and</sup> those portions are most inspired that inspire me the most,  
<sup>4 1 + 15</sup>  
so he is using the word in three or four different senses, <sup>just</sup> as confusing  
as talking of a little baby ~~in~~ <sup>in</sup> pool as an olympic ~~size~~ <sup>size</sup> swimming pool if  
you happen to measure it in meters instead of measuring it in yards, ~~it is~~  
But revelation is the basic idea in relation to the scripture, and inspiration  
is a specific idea ~~real~~ <sup>real</sup>-relating to the scripture ~~it~~ <sup>it</sup> itself, and relating ~~to~~ <sup>to</sup> only  
to that, Now this word, revelation, while it is not used ~~as~~ <sup>as</sup> the with the same  
ambiguity today ~~in~~ <sup>in</sup> that inspiration is used, nevertheless, ~~compra~~ <sup>compra</sup> comparatively  
little thought will ~~bring~~ <sup>bring</sup> almost anyone to a clear understanding of ~~that~~  
<sup>by revelation</sup>  
what is meant, because the word ~~xxx~~ <sup>xxx</sup> is not used with the ~~df~~ <sup>df</sup> different ideas  
<sup>to the wd. Inspiration</sup>  
that have been attached ~~with~~ <sup>with</sup> in popular speech and popular ideas <sup>Revelation</sup>  
<sup>very common wd. today</sup>  
a ctually means communication, Communication is a ~~very~~ <sup>very</sup> in many areas today.  
<sup>Christian Comm is all the rage</sup>  
I spoke to a student group, a ~~student~~ <sup>student</sup> conference a couple of weeks ~~ago~~ <sup>ago</sup> and
