

seminary, it was just like ~~entering~~<sup>going</sup> into a dark town. He said, I got in from that side of- I believed in all these orthodox doctrines. The Bible is true. Jesus was from God and Jesus died for man's sin. He says, I came ~~into~~<sup>from</sup> this beautiful country where we have all these doctrines, and when I got into the seminary, and there three years I was in a dark town. All of this was denied and I was torn and twisted, but then I came out of the town ~~from~~<sup>on</sup> the other side into a beautiful world which we are going to change. We are going to change the world condition and introduce a new type of society. But the trouble is that it sounds beautiful, this idea of introducing a new type of society and making the world lovely,-but by social changes, and- but it does not work. The way to ~~this~~<sup>do</sup> work is to get Christian love into people's hearts, to found them upon the truth of the Bible, and when you get that, true improvements, true generosity, true kindness/ will come. Where you do not have Christian love, you can make any sort of change in society you want to, and ~~if~~<sup>in the end</sup> it does not produce happiness. Happiness, Christian love must be based upon the true doctrine. As John says, if they come unto you, any unto you, and bring not this doctrine, receive him ~~them~~ not into your house, neither bid him God speed. For he that bideth him God speed, is a partaker of his evil deed. We can ~~not~~ trust the Scripture. It is God's truth. It is God's word. It is true. We can build our lives upon the Scripture. ~~It follows-~~<sup>to</sup> If we follow his command, He will use ~~in-accomplishing~~ His purposes.

Let us pray. God our Father, we thank you for the truth of the Scripture. We thank you for ~~the-~~ John the apostle of love. Oh, we pray that that love which endureth all things, that love which is not seeking personal gain, but seeking only the glory of God- Christ, may flower in our hearts and they be shown in our relationship- with others. Oh, God, help us to show to ~~the-~~<sup>this</sup> suffering world the true love, the love which means to bring the story of Christ that He died that whosoever believeth on Him might not perish but have eternal life, that doctrine ~~upon~~<sup>that</sup> upon which all the true advances/have been made have been... Oh, our God help us to stand four square against the apostasy and unbelief which in the end brings darkness and death. ~~He~~ Help us, we pray, judge / righteous judgment. We ask in Jesus' name.
