

who to eat,  
Here is a man ~~who~~ goes to a restaurant ~~and eats~~, and he says, Shall I take a  
porkshchop or shall I have a veal chop? What is the Lord's will on it?  
One of these two may be ... meat. It may be very, very important  
which of these two you take. Or, really it does not matter, or Ordinarily it  
does not matter. Ordinarily you would say, whether you eat this or whether you eat that <sup>great</sup>  
is not going to make ~~big~~ difference. If you get good meals every day, and if  
you get ~~de~~ sufficient vitamins and other things you need the next day, if; you  
eat in this order.... the order would not matter much, but there are times  
when ... and God only knows, and ~~it~~- the decision like that may be more importa~~nt~~  
than the decition whether you are going to be active in New Jersey ~~or in China~~.  
or Brazil, or in China. Now, there are men that God wants <sup>to be in China,</sup> .. /because they  
~~hv~~- have particular possibilities or particular abilities or particular talents that  
He wants in that particular position in ~~st~~- a ~~situation~~ situation that is going to  
develop in the next few years and He knows about it that we do not know anything  
about. There is a man whom God wants in New Jersey, because of certain  
situations that are going to develop 15 years from now that He knows about,  
and that particular man meets that situation, but in the case of most of us,  
if we are serving the Lord to the best of our ~~abilt~~- ability, ~~He~~ It does not make  
a great deal of difference/ whether ~~we~~ are in China, or whether ~~we~~ are ~~still~~- in  
in New Jersey,  
Brazil or whether we are ... /what difference does it make? Whether our ~~lives~~-  
life is consecrated fully to His purpose, whether we are in a place where  
we are / doing the best we can to serve Him effectively... so ... one of the  
most ~~th~~- difficult things about the know the Lord's will is know what decisions  
you should make in certain ways, but ~~wha~~- knowing what decisions are more  
important. One of the ~~mst~~ most difficult things about the Lord's will is know what  
decisions you make in certain ways... some decisions are very, very important  
in your life... and some decisions do not matter , and so here is one man who  
can do this type of work very excellently, and he can do this type of work  
very excellently, and either one can make real contributions to the Lord's cause.  
And it does not matter too much which of these two goes ~~v~~... the Lord needs  
both of them and will use them ... Here is another who can do this ~~st~~ job excellently,
