

that war is the worst thing in the world. We should let the communist take us over. We shouldn't resist. War ~~might be~~ would be wrong. We might kill someone then. Why, I hate to think what is going to happen to some of these people if the Communists do take over, ~~because~~ because those are the very ~~exp~~ people they will use for two or three years, and then they will cast aside ~~to~~ to torture or put to forced labor...but these ideas are spread through our land and we Christians have a duty to recognize the value of human life, we have a duty in the situation in which we find ourselves to stand for Biblical principles and to do our best to make life better for all other people, as far as we can but the greatest duty that we have in this regard ~~is~~ is to realize is that the most important help that we could give to someone else is not to enable them to live another five or ~~the~~ ten or thirty years, but ~~to~~ to enable them to live all eternity in joy instead of in misery. Let's turn for a second to Matt. the fifth chapter, and there in the fifth chapter there is so much that is important, but I am going to only read two ~~is~~ verses now, verses 29 and 30, And if thy right eye offend thee, pluck it out and cast it from thee, for it is ~~profitable~~ profitable for thee that one of thy members should perish and not that thy whole body should be ~~cast into~~ cast into hell, and if thy right hand offend thee, cut it off and cast it from thee, for it is ~~profitable~~ profitable for thee that one of thy members ~~that one of thy~~ should perish and not that thy whole body should be cast into hell. The Bible teaches that a few years of happy life on this earth is ~~-----~~ \_\_\_\_\_, but that is nothing ~~is~~ compared with the ~~is~~ question of what is going to happen for ~~million of~~ millions of years afterwards, and the kindest thing that the Christian can do to ~~to~~ others is to find ways of leading them to realize the importance of this fact, to find ways of bringing the truth of the Bible to their attention, so that they will give serious thought to it, so that many of them ~~will~~ <sup>may be</sup> turn from
