

Now I'm not certain yet whether I will give the second lecture for this course and also the next chapel talk, whether I will give it next Tues. or Thurs. It may very well be next ~~Thurs.~~, Tues but since you all come to chapel every ~~anyway~~ anyway it won't make much difference ~~any~~ to you. Shall we pray, *in closing,*

Our Father, we thank you for this Bible. We thank you for this wonderful NT. We thank you also for the OT and we pray that you will help us to get many of the lessons from the OT that you have put there for us and desire us to have that may be vital in our lives but we so often overlook. Be with us during this semester. we pray. Open our eyes, illumine our ^{understanding} ~~understanding~~ Above all draw us to our Saviour, we ask in Jesus name, Amen.
