

that seems to me to be well grounded, but it is not something that, so far as I know, God has revealed to us. There ~~xxxxx~~ areas like this where our actions may be affected by our ideas and where we do not know ~~fm~~ of any Script ural proof that the ideas are true. Such areas I call philosophy. There are a number of such ~~xxxx~~ which have considerable importance in my own life, which I do not feel it necessary

necessarily feel it

necessary to mention to other people who might have set ideas derived from contact with other Chns° that are in ~~xxxx~~ contradiction to them, and therefore might be shocked by them.
