

language and group everywhere, to bring trophies of grace to the Lord Jesus. Individuals who have learned to turn from their sin, through the wonderful grace Jesus freely supplies.

I have seen books recently telling how the whole wide world is going to be won by the Gospel. Of course the NCC puts out literature on how we're going to have an end to injustice everywhere because they are going to give money to guerilla bands in order to put an end to the oppressor, and thus they are going to establish a situation in which there will be universal peace.

I think we are deluding ourselves with hopes of this kind, unless we recognize that the only true source of peace is through the Prince of Peace.

I thought today it would be useful to take time pointing out the problem that is faced. People don't realize it. They think it's easy to sign a treaty and everything is settled. They are at peace. You have to get peace in the hearts. This propaganda I received yesterday telling these terrible things about the Jews is only typical of what has been done all through the ages. A small group of people driven out from Jerusalem in 70 A.D., thousands of them sold into slavery, their cities completely destroyed, and yet April 60 ? years later, a group of them to come back and make a stand to try to regain independence. At that time all of that group were killed. Hadrian made a law that no Jew could come within 5 miles of Jerusalem. On the site -- the site of Solomon's temple he put up a heathen altar, and changed the name of the temple and city in order to make it in honor of Jupiter, the god of the Romans.

Most of you have probably read Ivanho and seen the attitude that
