

- 1 Prov. 8 read
Comments on v. 17 --greatest values to be derived from education
Comments on v. 22 -- 'the Lord possessed me'
misunderstanding of monogenes
- 2 from genus--one of a class
false interpretation of Jehovah's Witnesses

Comments on v. 23. Refers to wisdom, not to Christ.
- 3 Prov. 9:1
The Seven Pillars of Wisdom by T. E. Lawrence
Lawrence's training in the classics
Lawrence shooting his camel in the head
Showed he needed wisdom in learning to fight
- 4 Today an age of anti-intellectualism on part of masses
Worthwhile TV educational programs dropped for senseless ones

Great interest in intellectual things on part of few
True scholarship manifest a humble attitude
- 5 Scholarship in terms of wisdom of this world
Elements that enter into true scholarship
Gathering of the facts
Story of Lincoln-Douglas debates and the fellow
who spent years of scholarly study in order to determine
whether Douglas held Lincoln's hat.
- 6 Wrong kind of scholarship

Area lying near Hatfield elementary school
- 7 Investigating beliefs of some obscure man 400 years ago
Wasted time and effort

(Fuller) seminary so interested in being considered scholarly
by the modernists and in winning their approval

False scholarship and the allurements of worldly prestige
- 8 No reflection against true scholarship
View of rocky mountains from Denver home
Indescribable beauty
Much more to God's revealed truth than appears on surface

Berkeley Version in 2 Thess. 2-- what hinders
says it's the Roman empire
- 9 Value of going directly to Greek and Hebrew to see what is there
