

O God our Father we thank you for the words that Paul gives
We thank you for the many truths that he presents and for the
many important exhortations he gives. Help us to study them,
to learn more about them, to make them real in our lives. But
Oh we pray our Father that you will help us to examine ourselves
and prove desirous to keep moving forward, above all to keep
moving forward in our understanding of the Word, to keep moving
forward in our relation to Christ. We pray that you will lead
in these things, and that you will help us to show forth His
glory. In our Saviour's Name. Amen.
