

need that you should change us, that you should build us into the image of Christ. That you should make us such as you desire us to be.

O our God help us that we should not neglect the fruits of the Spirit. We don't get the fruit by watering the fruit, we water the root. Help us to learn more and more to understand the Word, and more and more to apply it and to know that from it you will bring the fruit.

We know you have a purpose for each one of us--a purpose that is for eternity. Oh how far we fall short of being what you want us to be. Help us, O God, to make the progress you desire us to, that we may grow into the image of Christ and become such as you desire us to be. We ask these things, our Father, in our Saviour's Name. Amen.
