

8. Discussion of Homer's references to Ithaca.

Page, Denys, History and the Homeric Iliad, p. 162-3

I take the poet's Ithaca to be Thiaki, and see no reason for surprise if he is sometimes hazy about details of the geography. The Leucas theory has no attractions for me; when in doubt, I reread especially Hugo Michael, Wiss.Beilage zum XII. Programm des Konigl. Gymnasiums zu Jauer (1902), and ibid. zum XV. Programm (1905).
