As Christmas season is right upon us, all our thoughts are naturally full of Christmas gifts we expect to receive and that we expect to give, the gifts that we expect to receive and the ~~fix~~ gifts that we expect to give. However, the thing we should particularly think about this time is the reason for Christmas, the greatest gift of all is God's gift to us, the gift of the Lord Jesus Christ. Sometimes it is ~~said~~ said that all roads lead to Rome. Certainly it is true that all parts of the Bible lead to Christ. He is the center of it. Everything before the gospel looks forward to his coming. Everything afterwards looks back to his first coming, and forward to his return. As we start the Bible, we read how God put man in the perfect environment and gave him an opportunity to have a life of joy and happiness with only one commandment made upon him to see whether man would obey God or not. Man turned against God, and fell into sin. Immediately then we have from the terrible turning away of Adam from God we have the root of all the sins that are in the world today. Some people say that they do not see why they should be blamed from Adam's sin, I do not see any point of ~~argument~~ argument with these people, when the Bible tells us that we all sinned in Adam, but there is no point of arguing with these people. Everybody can see it. If he thinks a little bit, he will see that he himself has sinned against God, and that he has done that which is wrong in the sight of God. He deserves ~~the~~ eternal punishment ~~that~~ God's hands. There is no question that ... no one should have any question about this, .. when we look at others in the world. We see riots, murders, thieveries, immoralities. All these things are contrary to God's will. And we know that these deserve eternal punishment. Other people can look at us, and see the very same things in our hearts, unless Jesus Christ has cleansed us ~~from~~ from them // as a result of personal faith in Him. So, Genesis 3 is the turning point of in the whole history, but man turned away from God: God could then ~~have~~ easily just have said, I am through, and let's forget it, and done away with man, and send them:
