Dear Dr. MacRae:

I have often noticed advertisements of Faith Seminary as "premillennial" but have never read or heard whether or not it is also dispensational. Will you please let me know what the Seminary's position is in this matter. Does it teach dispensationalism as given, for example, in the Schofield Bible? What is the position of the Seminary regarding the Schofield Bible?

Several years ago I expressed to a Bible Presbyterian minister the desire of obtaining a copy of the official doctrinal ~~standards~~ standards of the Bible Presbyterian Church but did not follow it up. Could you tell me to whom to write for a copy of the doctrine, government and discipline of the Bible Presbyterian Church?

I am enclosing a self-addressed stamped envelope.
Thanking you for your reply, I am,

Yours in Him,

Malcolm R. Mackay
