Dr. Garret Vanderkooi  
University of Wisconsin  
Institute for Enzyme Research  
1710 University Avenue  
Madison, Wisconsin 53706

Dear Dr. Vanderkooi:

It was indeed kind of you to send me the offprints of the scientific papers that will be of interest in connection with my studies on evolution. I shall read them with great interest.

It was a real pleasure to see you and Mrs. Vanderkooi at the Summer Seminar. We rejoice in your zeal for Christ. May He bless you in all things.

Cordially yours in Him,
