

We cannot be sure that when Peter came out of the prison that ~~wh-~~ he came right out of the ~~door-~~ door onto the earth or whether there were 10 steps that ~~w~~ he went down . There are a few things ~~x~~ like that that he cannot be sure. On the other hand when you find in Kings that a King called Benhadad , and in Chronicles he is called Ben hagar, we know that the ... is a very ancient copying ~~x~~ error, because ~~the~~ we have inscriptions of the king whose name was ~~Benhadad--~~ Bendadad, but the fact that everybody knew that was an error and they ~~x~~ kept it right to the present shows how careful they were to copy the manuscripts as they found them and not to correct even what they knew were errors.

Ans. The Dead Sea Scrolls consist of two types of scrolls. ~~There~~ There are a great many of them which are copies of Biblical books, and these copies differ very, very little from the copies that have been preserved for us and passed down in the synagogue, etc. And consequently they give us added <sup>confidence</sup> ~~confidence~~ in the accuracy ~~in-t~~ of the copying . That is of very great value. They do not give us any further help in ~~text~~ the understanding. Then there are another group of the Dead Sea Scrolls, maybe a third of them consist of the rules of this particular section. Their rules and their devotionals, and all that, and they are filled with allusions to current event, but they are not explained clearly, and there are a lot of theories on that, and some very anti-Christian theories have been built on ~~obscure~~ obscurely expressions in some of them. ~~It~~ So there has come a real attack on Christianity <sup>of that</sup> ~~of that~~ faith from a misunderstanding, or misinterpreting ~~a vast~~ section of the Dead Sea Scrolls, so they have been a great help and also a ... danger.

Ans. Some people don't like the term ~~is~~ verbal ~~bea-~~ because ~~they~~ they think that the people means dictation, so they prefer the term plenary . Plenary is derived from the Latin word Plenus, which means full. It means that it is ~~com~~ completely
